Dear Sir/Madam,

PROPOSED RENEWAL OF SHAREHOLDERS' MANDATE FOR RECURRENT RELATED PARTY TRANSACTIONS OF A REVENUE OR TRADING NATURE ("PROPOSED SHAREHOLDERS' MANDATE")

1. INTRODUCTION

- 1.1** At the 9th AGM held on 28 May 2024, the Company had obtained the shareholders' mandate for the Group to enter into certain recurrent related party transactions based on the terms set out in the Circular to Shareholders dated 27 April 2024. The said shareholders' mandate shall, in accordance with the Listing Requirements, lapse at the conclusion of the forthcoming AGM, which will be held on 23 May 2025 unless approval of the renewal of the shareholders' mandate is obtained from our shareholders at the forthcoming AGM.
- 1.2** On 23 April 2025, the Company announced that it would seek the approval of the shareholders for the Proposed Shareholders' Mandate at the forthcoming AGM of the Company. The Notice of AGM and the Proxy Form which are enclosed in the Annual Report 2024, have been despatched to you on 25 April 2025.

The purpose of this Circular is to provide you with the relevant information on the Proposed Shareholders' Mandate and to seek your approval for the Ordinary Resolution pertaining to the Proposed Shareholders' Mandate to be tabled at the forthcoming AGM.

YOU ARE ADVISED TO READ AND CONSIDER THE CONTENTS OF THIS CIRCULAR CAREFULLY BEFORE VOTING ON THE ORDINARY RESOLUTION PERTAINING TO THE PROPOSED SHAREHOLDERS' MANDATE AT THE FORTHCOMING AGM.

2. DETAILS OF THE PROPOSED SHAREHOLDERS' MANDATE

2.1 Provisions under the Listing Requirements

Under Paragraph 10.09(2) of the Listing Requirements, a listed issuer may seek a mandate from its shareholders in respect of recurrent related party transactions which are necessary for its day-to-day operations subject to, amongst others, the following:

- (a) the transactions are in the ordinary course of business and are on terms not more favourable to the related party than those generally available to the public;
- (b) the shareholders' mandate is subject to annual renewal and disclosure is made in the annual report of the aggregate value of transactions conducted to the shareholders' mandate during the financial year where:

“in relation to a listed issuer with a share capital of RM60 million and above -

- (i) the consideration, value of the assets, capital outlay or costs of the RRPTs is RM1 million or more; or
- (ii) the percentage ratio of such RRPTs is 1% or more,

whichever is the higher”;

- (c) the listed issuer's circular to shareholders for the shareholders' mandate includes the information as may be prescribed by Bursa Securities;
- (d) in a meeting to obtain shareholders' mandate, the interested Director, interested Major Shareholder or interested person connected with a Director or Major Shareholder; and where it involves the interest of an interested person connected with a Director or Major Shareholder, such Director or Major Shareholder, must not vote on the resolution to approve the transactions. An interested Director or interested Major Shareholder must ensure that persons connected with him abstain from voting on the resolution approving the transactions; and
- (e) the listed issuer immediately announces to Bursa Securities when the actual value of a RRPT entered into by the listed issuer, exceeds the estimated value of the RRPT disclosed in the circular by 10% or more and must include the information as may be prescribed by Bursa Securities in its announcement.

2.2 The IBGB Group has, in the ordinary course of its business, entered into certain RRPTs and it is anticipated that the companies within the IBGB Group would, in the ordinary course of business, continue to enter into such transactions with the Related Parties, details of which are set out in Section 2.6. It is likely that such transactions will occur with some degree of frequency and could arise at any time.

2.3 Accordingly, the Board proposes to seek the Proposed Shareholders' Mandate for RRPTs to be entered into during the Mandate Period.

These RRPTs which are necessary for the day-to-day operations of IBGB Group, have been/will be based on normal commercial terms, at arms' length, and have been/will be transacted on terms that are not more favourable to the Related Parties than those generally available to the public.

2.4 Validity Period of the Proposed Shareholders' Mandate

The Proposed Shareholders' Mandate, if approved by the shareholders of the Company at the forthcoming AGM, will take effect from the date of the passing of the ordinary resolution at the forthcoming AGM and shall continue to be in force until:

- (a) the conclusion of the next AGM, unless the authority is renewed by a resolution passed at the next AGM;
 - (b) the expiration of the period within which the next AGM is required to be held pursuant to Section 340(2) of the Act (but will not extend to such extension as may be allowed pursuant to Section 340(4) of the Act); or
 - (c) revoked or varied by resolution passed by the shareholders in general meeting,
- whichever is the earlier.

2.7 Amount due from and owing by Related Parties pursuant to the RRPTs

As of 31 December 2024, there is no amount due and owing by the Related Parties pursuant to the RRPTs that have exceeded the credit terms.

2.8 Review procedures for RRPTs

The IBGB Group has established the following review procedures to be carried out to ensure that the RRPTs are undertaken on transaction prices at arm's length basis and on normal commercial terms consistent with the Group's usual business practices and policies, which are generally not more favourable to the Related Parties than those generally available to the public, and are not to the detriment of the minority shareholders of the Company:

- i. The definition of related party, list of related parties and the review procedures will be circulated and/or updated within the Group;
- ii. The duties and roles of the Audit Committee include the review of RRPTs;
- iii. Records will be maintained to record all RRPTs which are/will be entered into, which will be available for review by, among others, the auditors and Audit Committee, on a quarterly basis. Any member of the Audit Committee may, as he deems fit, request for additional information pertaining to RRPTs from independent sources or advisers;
- iv. Where applicable, the terms of the pricing of the RRPTs will be consistent with the Group's usual business practices and policies and will take into consideration the terms and conditions, pricing, level of service and expertise required, quality, reliability and consistency of products and services as compared with the prevailing market rate of prices and general practices by other service providers of similar capacity and capability for the same or substantially similar type of products/services and/or quantities. At least two (2) other contemporaneous transactions with unrelated third parties for similar products/services and/or quantities will be used as a comparison. If quotations or comparative pricing from unrelated third parties cannot be obtained, the transaction price will be determined by the Audit Committee by IBGB's usual business practice, taking into account the efficiency, quality and type of support services; and not detrimental to IBGB or its Group.
- v. The Audit Committee shall review procedures, and shall continue to review the established guidelines and procedures, as and when required, on an annual basis with the authority to subdelegate to individuals or committees within the Company as they deem appropriate;
- vi. The Audit Committee will report its findings to the Board for further action during the quarterly review. If the Audit Committee is of the view that the guidelines and procedures are not adhered to or are not sufficient to ensure that the RRPTs are carried out on normal commercial terms and/or the RRPTs are deemed detrimental to the minority shareholders of the Company, the Audit Committee will:
 - firstly, discuss and ascertain whether it is the guideline or procedure which is at fault or whether it is the fault of the person(s) delegated with the task of ensuring compliance or otherwise; and
 - secondly, if the fault is the person rather than the guideline or procedure, appropriate action will be taken against the person connected. If the defect lies with the guideline or procedure, then the Audit Committee will modify, supplement or replace as may be required, the relevant guideline or procedure and report such modification, supplemental or replacement to the Board.

- vii. Where any Director or person connected to him or the Audit Committee has an interest (direct and indirect) in any related party transactions or RRPTs, he will abstain from voting on any matter relating to any decision making by the Board or the Audit Committee in respect of such transactions; and
- viii. There is no threshold for approval for RRPT as all RRPTs will be reviewed by the Audit Committee and approved by the Board of Directors.

2.9 Disclosure in Annual Report

Disclosure will be made to the Company's annual report on the breakdown of the aggregate value of the RRPT made during the financial year, amongst others, based on the following information:

- i. the type of RRPT made; and
- ii. the names of the Related Parties involved in each type of the RRPT and their relationship with the Group.

2.10 Statement by the Audit Committee

The Audit Committee has seen and reviewed the procedures mentioned in Section 2.8 above and is satisfied that the Group has in place adequate procedures and processes to monitor, track and identify RRPT in a timely and orderly manner as well as to ensure that the RRPT is carried out:

- (a) on terms not more favourable to the Related Parties than those generally available to the public;
- (b) on an arm's length basis and on the Group's normal commercial terms; and
- (c) not detrimental to the minority shareholders of the Company.

The Audit Committee reviews the procedures in Section 2.8 periodically, as and when the need arises.

The Audit Committee is also of the view that the above procedures in Section 2.8 are sufficient to ensure that the RRPT are not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the minority shareholders of the Company.

3. RATIONALE FOR AND BENEFITS OF THE PROPOSED SHAREHOLDERS' MANDATE

The RRPTs envisaged in the Proposed Shareholders' Mandate are all in the ordinary course of business. The RRPTs are recurring transactions of a revenue or trading nature which will occur with some degree of frequency and could arise at any time and from time to time. These transactions may be constrained by the time-sensitive nature and confidentiality of such transactions, and it may be impractical to seek shareholders' approval on a case-to-case basis before entering such RRPTs.

By obtaining the Proposed Shareholders' Mandate on an annual basis, the necessity to make regular announcements to Bursa Securities and to convene separate general meetings to seek shareholders' approval from time to time is eliminated. This would substantially reduce administrative time, inconvenience and expenses associated with the making of announcements and convening of such meetings, without compromising the corporate objectives or adversely affecting the business opportunities available to the IBGB Group.

4. EFFECTS OF THE PROPOSED SHAREHOLDERS' MANDATE

The Proposed Shareholders' Mandate will not have any material effect on the share capital, shareholdings of the substantial shareholders, earnings and net assets of IBGB.

5. APPROVAL REQUIRED

The Proposed Shareholders' Mandate is subject to the approval being obtained from the shareholders of the Company at the forthcoming AGM.
