<i>Note: To qualify for adoption of this Step Up practice, a listed issuer must have a formal policy which limits the tenure of an independent director to nine years without further extension i.e. shareholders' approval to retain the director as an independent director beyond nine years.</i>	
Application :	Not Adopted
Explanation on adoption of the practice :	

Intended Outcome

Board decisions are made objectively in the best interests of the company taking into account diverse perspectives and insights.

Practice 5.5

Appointment of board and senior management are based on objective criteria, merit and with due regard for diversity in skills, experience, age, cultural background and gender.

Directors appointed should be able to devote the required time to serve the board effectively. The board should consider the existing board positions held by a director, including on boards of non-listed companies. Any appointment that may cast doubt on the integrity and governance of the company should be avoided.

Application	:	Applied	
Explanation on application of the practice	:	The Board is supportive of boardroom diversity as it can offer greater depth and breadth compared to non-diverse board. The Board practices no discrimination in terms of appointment of Directors as well as hiring employees wherein the Directors and Senior Management are recruited based on their merit, skills and experiences and not driven by age, cultural background and gender. For the FYE 2025, there are 2 female Directors on the Board.
